28 November 1951

MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Deputy Director (Plans)

SUBJECT: Indoctrination of Certain JSPD and Other
Department of Defense Officers.

1. Concur in the proposed course of instructions providing it is limited to the general description of the organization, and functions and programs of OPC and providing ADPC maintains adequate records of the individuals who receive this briefing and insures that each officer is debriefed prior to reassignment.

2. Briefing should be concerned with those aspects of OPC activities of primary concern to JCS and the services; and should avoid reference to highly sensitive and secret political and psychological warfare activities currently being conducted or projected as a part of the OPC "cold war" or peace-time effort.
